**Subject: Letter of Intent**

NORDIC WATER is the world's leading water treatment company, with its own production program for treatment of drinking, industrial and waste water, which makes it a unique company of its kind in Europe.

TINIA COMPANY d.o.o. is the general representative of NORDIC WATER GmbH for Serbia, Croatia, Montenegro, Slovakia and Czech Republic.

Our intentions are, together with the TINIA COMPANY d.o.o., to participate in current and future projects related to water treatment in the Republic of Serbia and the region.

When the conditions have been met NORDIC WATER intends, to transfer part of its production program to the TINIA COMPANY d.o.o., and also to provide educational assistance and educate students on their own plants.

We are pleased to develop meaningful partnerships with TINIA COMPANY and to continuing our cooperation.

Kind regards,

**NORDIC WATER GmbH**
